

REPORT FROM THE CITY MANAGER TO CITY COUNCIL
February 10, 2020

SUBJECT: AWARD OF BID FOR EMERGENCY MEDICAL SUPPLIES AND EQUIPMENT

ADMINISTRATIVE SUMMARY

- Request for proposals were advertised, available on the MITN e-procurement system and opened on October 15, 2019 by the City of Farmington Hills on behalf of the Southeast Michigan Emergency Medical Supplies Cooperative (SMEMS) with extensions to the MITN Purchasing Cooperative. Notification of solicitation was sent to over 80 vendors with 4 responding (Bound Tree Medical, Henry Schein, J & B Medical Supply and Med-Line. There are over 200 members of the SMEMS represented for this solicitation including such entities as Farmington Hills, Birmingham, Bloomfield Township, Sterling Heights, Royal Oak, Southfield and West Bloomfield Township with a local total estimated purchase volume of 2 million dollars annually.
- The specifications called for volume discount pricing on 286 highly used emergency medical products including incident expendable supplies as well as training supplies and equipment. These items were determined by the SMEMS to be the most often ordered and made up approximately 60% of their medical supplies budget. Also requested as part of the specification was a contracted additional discount off the published list price for full line categories such as diagnostic, immobilization, extrication and disaster preparedness equipment. The final pricing required fixed additional discount off any remaining items in their catalog.
- A committee made up of members of City staff and SMEMS Members reviewed & evaluated all proposals, conducted interviews to the short listed firms (Bound Tree Medical & J & B Medical Supplies) and is recommending award to Bound Tree Medical. Their fee schedule was extremely competitive; they demonstrated a high level of knowledge & commitment to Emergency Medicine, they have clinician's on staff to assist agencies with training on new products & techniques, their order process is simple, they have a user friendly website and have excellent references. City staff & the SMEMS members are confident that Bound Tree Medical is the lowest most qualified company to provide these vital supplies & equipment.
- Funding for these products is budgeted and available in the Fire Department supply account. The City of Farmington Hills estimated annual expenditures under this contract is \$65,000.

EVALUATION POINT TABULATION –(FULL EVALUATION ATTACHED)

Name	City/State	Written & Priced Response Point Award	Interview Point Award	Total Point Award
Bound Tree Medical	Dublin, OH	85	86	171
Henry Schein	Melville, NY	78	N/A	78
J & B Medical Supply	Wixom, MI	84	57	141
Med-Line Industries	Northfield, IL	59	N/A	59

RECOMMENDATION

In view of the above, it is recommended that City Council authorize the City Manager to sign a contract with Bound Tree Medical and issue budgeted purchase orders for a three (3) year term for emergency medical supplies and equipment and for three (3) additional one (1) year terms under the same terms and conditions upon mutual consent of the City and vendor.

Company	City/State	Short History Vendor information, Continuity Plan & Exceptions to agreement	Discount Proposal	Products Specified	Proposal Eval	Interview	Total Points
Bound Tree Medical NOTES & EXCEPTIONS	Dublin, OH	35 Included. Established in 1978. Became part of holding company (Sarnova) in 2008. Approx. 241 employees (3 local). Ed Draper would be our representative. He is a licensed paramedic and has worked for Bound Tree for 3 years. References include San Francisco Fire, Fire Dept. of New York City and Baltimore City Fire Department. 5 Warehouses located nationwide. Primary warehouse would be Elizabethtown, PA and secondary would be Southaven, MS. Generally orders received and processed before 3 p.m. local are shipped the same day. Orders shipped via Fed-Ex or common carrier 1-2 days. Expedited next day. Dedicated order processing team & real-time pricing and stock availability 24/7. Order via phone, email or via the internet. Items are deemed obsolete when there has been no movement for 2 years. Once an item's sales have begun to decrease the buyer may reach out to vendor for a return. If fees are assessed Sarnova will absorb shipping & restocking fees. Additional savings with UCapIT (Controlled Access Vending Machine) and Operative IQ software. Some free training CEU's at www.BoundTreeUniversity.com. 24-hour a day disaster support hotline. Once notified of an incident Bound Tree can ship from all over the country in order to get needed supplies. <i>Noted on Table of Contents information regarding sample agreement but did not include.</i> Included COOP plan. They will extend to MITN.	30 Lowest Priced response (30 points).	20 65% of the product listed are as specified. 35% of the items are alternate brands from current use items. A few "No-Bids."	85	86	171
Henry Schein NOTES & EXCEPTIONS	Melville, NY	30 <i>Response was missing pages with answers to questions-</i> Called & requested and were issued. 37 years experience in the EMS marketplace. Fortune 500 company with 350 part-time & 7,618 full time EMS employees. They have 20+ dedicated EMS sales professionals (most started their careers as field medics) - In Southeast Michigan they have 2 part-time & 1122 full-time. References include Kissimmee Fire Dept., Fayette County Fire & New York Fire. Closest US Distribution center is in Indianapolis, IN. Orders can be placed by phone, fax, email, on-line or with a phone app. Inventory exceeds 450 million with a combined warehouse space of 2 million sq. feet. Order accuracy at 99%. Real-time order tracking. No additional discounts are offered for volume or other. They offer an Inventory Optimizing Solution to manage inventory. Orders can be placed 24 hours per day. They do have a COOP plan. <i>They took exceptions to the proposed agreement.</i> They will extend to MITN.	25 Second Lowest Priced response (25 points)	23 75% of the product listed are as specified. 25% of the items are alternate brands from current use items. A few "No-Bids."	78	N/A	78
J & B Medical Supply NOTES & EXCEPTIONS	Wixom, MI	35 Included. Established 1994. 650 full-time & 30 part-time employees. Warehouse located in Wixom, MI (<i>only one warehouse</i>). They have dedicated customer service team. The CSR-Manager has worked along side EMS & its customers for 12 years. Orders can be placed by Phone, Fax or via the website. The Co-op group pricing is displayed as part of our own specific catalog. They manage all inventory with a barcode system. As items become obsolete they post notices on website and offer comparable. They offer buy back or credit on obsolete items if a member chooses. All orders received prior to 2:30 p.m. E.S.T. will be shipped out the same day or next. Will stock core items and non-core items purchased on a regular basis. If items become obsolete or unavailable, J&B's EMS team will find comparable items as replacements. Comprehensive COOP plan. J & B will perform free training on all equipment & supplies offered. J & B offers a \$2,500 per year for educational opportunities (not to exceed \$7,500 for the first 3 years). They took zero exceptions to the proposed agreement. They will extend to MITN.	20 Third Lowest overall priced response (20 points).	29 97% of the product listed are as specified. 3% of the items are alternate brands from current use items. A few "No-Bids."	84	57	141
Med-Line NOTES & EXCEPTIONS	Brooklyn, NY	25 Included. Started in 1910. They distribute products but also manufacture products as well. Noted that they are the largest privately held national manufacturer & distributor of medical supplies & equipment in the country. Included their return goods policy. <i>They do have restocking fees that start at 0 days 5% up to 20% at 61 days. They will not take returns of goods greater than 90 days unless approved.</i> References include Cobb County Fire, Polk County EMS & Manatee County Fire. They 15,797 full time & 531 part time employees company-wide with 331 full & 1 part-time in Southeast Michigan. Our main D.C. is in Romulus which is 105,00 sq. ft. and has 5 Med Trans Vehicles. Orders can be placed via Phone, fax or on-line. No further discounts offered. Included info about value adds for on-line education and mentioned charity & sustainability programs they are part of. They did include a COOP plan. <i>Exceptions to sample agreement not included.</i> They will extend to MITN.	15 Highest overall priced response (15 points).	19 64% of the product listed are as specified. 36% of the items are alternate brands from current use items. - Several "No-Bids."	59	N/A	59

Interview & Site Demo

J & B Medical Supply-1:00 p.m.

Bound Tree Medical - 3:00 p.m.

Item		Notes		Notes
Question & Answer-5 points each				
Give us general information about how our account will be structured... Who will be our part of our dedicated team... if more than one warehouse where do we call for orders, etc. Describe the method or protocol for ordering items and the series of events that take place once the order is placed.	3	Steven Shya, family business, 51% owned by mother. 12 years working with cooperative. 750 employees, MI based, EMS in 5 states, 102 veterans in GA. Greater opportunities toward technology - tele-medicine. Challenges in health care, investment \$\$... how do they keep up with it in the supply chain. Believe in total health. Relentless positive actions. Interview team indicated that they have felt that historically EMS was not a priority. Lots of back orders - no good reason.	4	10 sales People listed on Many hands on the Mitten. Customer service 8-8. 33 people in customer care. Regional models in MI. All accounts will be managed with outside sales meaning we will have reps to visit all the time. We would have a default warehouse if we are set up on an account. Backup warehouses are set up for backfill of products
How much of your overall business is specifically for Emergency Medical Supplies? What is your estimated growth or decline of that piece of your business?	3	EMS is 10% of their business. Actively seeking new reps. Josh is only rep in the State of MI.	5	100% Police Fire and EMS. EMS is their primary focus. They had some growth last year, about 5%.
How are deliveries handled? How many delivery Trucks & staff do you have? Or - Is a third party used for deliveries?	5	Predominately using FedEx. They do have their own trucks (3) still for specific deliveries-west side of the state. One of FedEx's world wide customers. Drivers own the routes. FedEx picks up returns. Process weaver - tracking software.	5	FedEx is their default. They could use UPS if we prefer. LTL carriers for larger shipments.
What is your plan to meet the 48 hour delivery requirements of the specification (i.e. core items vs. other items).	2	FedEx. J & B indicated that there are "anomalies" with backorders but typically everything is 48 hours however the group noted items sometimes are backordered several weeks even for core orders. They were unable to supply the N95's (mask) and had no real way to move up a delivery.	4	Usually placed by 3 pm will be delivered that day. Pallets are next day or larger orders. Pit Ohio will deliver the larger orders. Customer care is priority - in fact they were able to deliver to the FHFD next day with vital N95 masks
What do you see as the challenges of the breadth of the Cooperative?	3	Helping to promote the core list. Some people are not even aware of this list. Why isn't J & B trying to find ways of promoting the core list?	4	They do not have any issues delivering to small or large agencies. We can talk to any of the 10 people of the first slide. 3 hold MI EMS licenses. Want to be a partner not just a business.
Do you have multiple locations? Do you carry the same level of inventory at all locations? If not how is there a way to ensure that core items are in stock and delivered with no back orders (even for a day)?	3	One location in Wixom, MI. 105,000 sq. ft. Takes 1 - 4 weeks to increase inventory after an agency joins. 420 current agencies. If there is a disaster, they have supplies at other locations in i.e.in Troy (7 "other" locations). Not fully stocked but stocked for emergency.	4	Elizabethtown PA in Mississippi, same delivery time. Redundancies in place. Customer care will never go down. They have a generator. Noted they lost a facility to a tornado and all other locations were able to supply end users right away.
Describe the method you utilize to manage your inventory?	2	Restructuring inventory system. Currently using Oracle and testing plug ins for lot and serial control. Goal is Q3, June. Hand counting much of their inventory currently.	5	Demand planning software in addition to the ERP system. They would take the usage and load it to ensure they have enough product. They measure fill rate and service level (which warehouse), in addition to specialty orders. Create core items list and reduce the list to a unique shopping list with that dept. only. Approval system can be in place. Boundtree would be 1st to get distribution after an event. Track lot and serial #. Barcode system and 98% accuracy in inventory control.
Do you charge restocking fees? What is your policy for returns & how are they processed?	4	Specialty items are charged a restocking. Normally it is waived.	5	No, there are no fees. Return specialist-15 years. Organization process - leading a group
What type of training does your staff have?	2	Jen Williams handles 90% of the EMS calls. They are bringing her along knowledge-wise. Her direct line is on the website. Dedicate her training to be helpful for EMS call and stock.	5	Sales - Brooks sales training, a formalized training. Everyone in sales participate. Loyalty and retention score..-100-100 2017 - 36 2018-48.6 2019-57.

J & B Medical Supply-1:00 p.m.

Bound Tree Medical - 3:00 p.m.

Item		Notes		Notes
Elaborate on training opportunities your company provides to the entities.	3	Mostly word of month. They could put together a trainer pretty easily. Put training classes on the web page. Willing to demo and then have a training class.	5	Through the website, Boundtree University. CAPSI approved. Vendor training, webinar. Training in house. Monitor calls and questions may require additional training
On a scale of 1-10 how would you personally rate your customer service and why?	3	Jim and Josh are available by cell phone. Jim gave them a "7". Josh responds in less than 24 hours to his customers. Josh covers MI and parts of OH	5	9. Constantly improving. Rewarding within the company. Average speed of answer is 1 second. JAM sessions to collaborate internally.
Give us an example where your clients weren't satisfied with your work? What happened? How was it rectified?	2	Wasn't specific just mentioned Break down in communication is typically the reason why the customer runs into issues.	4	South Metro - changed over acct manager wanted RFID's down to the each. Boundtree couldn't provide and they told them 2 years ago and now they are back as a customer. Ordering issues were resolved with another company.
Total Question & Answer	35		55	
Site Demo 10 points possible each				
Overview of website	4	On 3rd company to help with website. Build analytics to build website and search functions. Icon to show core items.	7	Easy to use - Almost like Amazon- Orders can be placed very easily.
Is product easy to find	3	Can search for item # or name but right now you have to be specific.	8	You can search by product name, number, key words. New key words are being added all the time.
Inventory & Item Pricing easy to understand	10	Core list is just a click away on the website. Detail descriptions, discontinued are greyed out as opposed to just taken off.	8	Core list can be loaded-unclear whether items can be denoted with a logo.
Generating Reports	5	If they run into any issues they can contact the J&B IT tech. May have to clear out cookies or cache and try again. Budgeting option is available with quantity and dollar amount.	8	Reports are definitely easy to find. You can even see history on every item to help make decisions.
