County

**Oakland County Parks and
Recreation Millage**

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

**Operating Millage Renewal
Proposal**

**Farmington Public Schools
District
County of Oakland
State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 12.5955 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. In 2024 the School District levied only 5.2029 mills on personal residences (owner-occupied homes).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Farmington Public Schools District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 12.5955 mills may be imposed on principal residences, for ten (10) years, the years 2026 to 2035, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$49,196,277 during the 2026 calendar year, to be used for general operating purposes.

**Library Millage Renewal
Proposal**

**Farmington Community
Library**

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.

County

**Oakland County Parks and
Recreation Millage**

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

**Operating Millage Renewal
Proposal**

**Farmington Public Schools
District
County of Oakland
State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 12.5955 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. In 2024 the School District levied only 5.2029 mills on personal residences (owner-occupied homes).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Farmington Public Schools District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 12.5955 mills may be imposed on principal residences, for ten (10) years, the years 2026 to 2035, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$49,196,277 during the 2026 calendar year, to be used for general operating purposes.

This proposal would replace, restore and extend the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 3.6297 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. The School District only levied 0.3086 mills on personal residences (owner occupied homes) in 2024.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Walled Lake Consolidated School District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 3.6297 mills may be imposed on principal residences, for fourteen (14) years, the years 2024 to 2037, inclusive? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$3,232,239 during the 2024 calendar year, to be used for general operating purposes.

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

Shall Section 7.02e of the Farmington Hills City Charter be amended to allow a renewal of the previous voter-approved additional special tax rate for purposes of the improvement, rehabilitation, repair and maintenance of public roads, streets and road drainage within the City by authorizing the City to levy a millage in the amount of 2.0 mills (being \$2 per \$1,000 of taxable value) for a period of ten years, starting with the July 2025 levy and resulting in the authorization to collect an estimated \$9,000,000 in the first year if approved and levied?

**Operating Millage Renewal
 Proposal**

**Farmington Public Schools
 District
 County of Oakland
 State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 12.5955 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. In 2024 the School District levied only 5.2029 mills on personal residences (owner-occupied homes).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Farmington Public Schools District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 12.5955 mills may be imposed on principal residences, for ten (10) years, the years 2026 to 2035, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$49,196,277 during the 2026 calendar year, to be used for general operating purposes.

**Library Millage Renewal
 Proposal**

**Farmington Community
 Library**

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.

Oakland County Parks and Recreation Millage

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

Operating Millage Renewal Proposal

**Farmington Public Schools District
County of Oakland
State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 12.5955 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. In 2024 the School District levied only 5.2029 mills on personal residences (owner-occupied homes).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Farmington Public Schools District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 12.5955 mills may be imposed on principal residences, for ten (10) years, the years 2026 to 2035, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$49,196,277 during the 2026 calendar year, to be used for general operating purposes.

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.

Oakland County Parks and Recreation Millage

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

**Operating Millage Renewal
Proposal**

**Farmington Public Schools
District
County of Oakland
State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 12.5955 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. In 2024 the School District levied only 5.2029 mills on personal residences (owner-occupied homes).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Farmington Public Schools District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 12.5955 mills may be imposed on principal residences, for ten (10) years, the years 2026 to 2035, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$49,196,277 during the 2026 calendar year, to be used for general operating purposes.

**Farmington Community
Library**

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.

**Oakland County Parks and
Recreation Millage**

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

**Operating Millage Renewal
Proposal**

**Farmington Public Schools
District**

**County of Oakland
State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 12.5955 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. In 2024 the School District levied only 5.2029 mills on personal residences (owner-occupied homes).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Farmington Public Schools District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 12.5955 mills may be imposed on principal residences, for ten (10) years, the years 2026 to 2035, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$49,196,277 during the 2026 calendar year, to be used for general operating purposes.

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.

Oakland County Parks and Recreation Millage

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

Operating Millage Renewal Proposal

**Farmington Public Schools District
 County of Oakland
 State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 12.5955 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. In 2024 the School District levied only 5.2029 mills on personal residences (owner-occupied homes).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Farmington Public Schools District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 12.5955 mills may be imposed on principal residences, for ten (10) years, the years 2026 to 2035, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$49,196,277 during the 2026 calendar year, to be used for general operating purposes.

Farmington Community Library

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.

Oakland County Parks and Recreation Millage

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

Operating Millage Renewal Proposal

**Farmington Public Schools District
County of Oakland
State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 12.5955 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. In 2024 the School District levied only 5.2029 mills on personal residences (owner-occupied homes).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Farmington Public Schools District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 12.5955 mills may be imposed on principal residences, for ten (10) years, the years 2026 to 2035, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$49,196,277 during the 2026 calendar year, to be used for general operating purposes.

Library Millage Renewal Proposal

Farmington Community Library

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.

Oakland County Parks and Recreation Millage

The Oakland County Parks System includes 17 park locations with nearly 7,200 acres of public park and recreational lands, 80 miles of trails, campgrounds, dog parks, golf courses, aquatic recreation facilities, and nature education centers.

To continue to provide revenue to the Oakland County Parks and Recreation Commission, shall the current millage, which has been reduced by required rollback, be replaced, and increased to .65 mills for 20 years from 2024 to 2043. The .65 mills is equal to 65 cents per \$1,000.00 of taxable value. The millage, if approved and levied, shall generate approximately \$52,191,139 in 2024. The purpose of the millage is to expand, improve, operate, maintain, and acquire parks, recreational facilities, open spaces, lakes, rivers, water areas, and trailways; to support nature education, recreational, and outdoor educational and health programming; to support partnerships for access to and awareness of recreational lands and facilities; to promote the conservation and restoration of high-quality natural and wildlife habitats; and to allow free general park admission to all county parks for residents. Revenue from this millage shall be disbursed only to the County of Oakland to be used solely for the purpose of funding the Oakland County Parks and Recreation Commission and shall be subject to oversight by the Oakland County Board of Commissioners and to an independent audit.

Local School District

Operating Millage Renewal Proposal

**Farmington Public Schools District
County of Oakland
State of Michigan**

This proposal would renew the authority of the School District, which expires with the 2025 tax levy, to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, restrict the levy on principal residences (owner-occupied homes) to no more than 12.5955 mills and protect against the impact of future Headlee rollbacks of up to 3.0 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead property (principally industrial and commercial real property and residential rental property) and to continue to levy on principal residence property (owner occupied homes) only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State. In 2024 the School District levied only 5.2029 mills on personal residences (owner-occupied homes).

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Farmington Public Schools District, County of Oakland, Michigan, be increased in the amount of 21 mills, with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 12.5955 mills may be imposed on principal residences, for ten (10) years, the years 2026 to 2035, inclusive, to provide funds for operating expenses of the School District? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$49,196,277 during the 2026 calendar year, to be used for general operating purposes.

Library Millage Renewal Proposal

Farmington Community Library

Shall the Farmington Community Library, County of Oakland, be authorized to levy annually a renewal of the previously authorized millage, which expires in 2024, in an amount not to exceed .9264 mill (\$.9264 per each \$1,000 of taxable value) against all taxable property within the Farmington Community Library district for a period of twenty (20) years, 2025 to 2044, inclusive, for the purpose of providing funds for all district library purposes authorized by law? The estimate of the revenue the District Library will collect in the first year of levy (2025) if the millage is approved and levied by the District Library is approximately \$4,750,000. A portion of the revenue collected may be subject to capture by the City of Farmington Downtown Development Authority and Brownfield Redevelopment Authority, the City of Farmington Hills Brownfield Redevelopment Authority, and the Grand River Corridor Improvement Authority.
