Spurred on by the message of Franklin Roosevelt's Arsenal of Democracy speech. We will all cheer for the dramatic and vital roles played by women as they showed the nation that they were willing and able to fill the work force gaps caused by men going into military service. You will be amazed, energized, and inspired by this chapter of American History.

## Commission on Aging's Listening Sessions on Future of Costick Center

On December 3, 2024, the Farmington Area Commission on Aging held two, one-hour Listening Sessions on the future of the Costick Center. Commissioners presented the results to the Farmington Hills City Council at their meeting on February 10, 2025. Below is a shortened version of the report given to the City Council.

- 113 people attended and participated in the Listening Sessions.
- The vast majority of participants strongly preferred the 11 Mile location.
- Access to the Center was considered as suboptimal by participants because of the distance from the parking lot to the entrance and the steep incline of that entry path.
- While participants agreed that the Hawk was for all community members, participants have strong feelings that the Hawk does not meet senior needs.
- Parking at the Hawk was cited as one major obstacle to participation at that facility.
- The gym at the Costick Center was thought to be integral to senior activities at the Costick Center. Many thought the current size of the gym must be maintained and that it may need to be larger.
- Food Service at the Costick Center was considered very important.
- Meals on Wheels was considered very important to participants even though they may not use that service currently.
- Many Listening Session participants cited the importance and unique qualities of the Costick Center pool. A warm pool was important to participants. Many participants reported that the Hawk pool did not meet senior needs and is closed to seniors when school is not in session.
- Expanded and improved locker rooms were important to participants.
- There were many participants at the Listening Sessions who take exercise, tai chi, or yoga classes. Exercise and yoga rooms are important to participants.
- Indoor walking was important to most participants and an indoor track where users could walk in the Michigan winter is missing in Farmington and Farmington Hills.
- Senior housing near the Costick Center was important to about a quarter of participants.
- Participants were appreciative of the Listening Sessions and for being able to provide input into the future of the Costick Center.

In advocating for the needs of those 50 and Better, the Commission has been working to ensure the continuation of programs and services at the Costick Center. We are poised to help the Council with their planning process and are committed to bringing updates to the community as they unfold. The Farmington Area Commission on Aging has created an email list to communicate with Costick Users about the future of the Costick Center. To be added to this list, email us at [farmingtonareacommissionaging@gmail.com](mailto:farmingtonareacommissionaging@gmail.com). If you would like a copy of the full report, please request that by emailing the Commission.

# The Farmington Area Commission on Aging on Bank Imposter Scams

The Farmington Area Commission on Aging continues their monthly series on Scams, Fraud, and Financial Exploitation. This is part of a greater effort to ensure that adults 50 years and older, in our community, can learn to recognize scams and financial fraud before it happens and have resources to help should they become victims

## BANK IMPOSTER SCAMS

**Scenario:** Scammers *pose as Bank Security Department* employees to get your account log-in and personal data. Tactics include using phony bank websites, fake texts/emails, and phone numbers to disguise their identity. *Scammers ...*

- Warn about “fraudulent activity” on your account
- Ask you to verify a purchase charged to your account
- Instruct you to cut up your card (but not the chip) and a “banker” will come to collect the destroyed card
- Create a sense of urgency for you to take immediate action
- May tell you to click on links and connect you with a live scammer

*Source: AARP*

AARP offers several ways to protect against bank scams. Do not click on links in an email or text claiming to be from your bank. Hang up from an unsolicited caller. Instead, contact your bank directly using the number you know to be your bank. Do not provide account data, personal information, or password in response to a text, email, or phone call. Slow down. If you are unsure about an alert from your bank, talk to a trusted friend or family member. Tell your bank about what has happened. Then notify the local police, the Federal Trade Commission, and the FBI about the attempted scam.

Take time to learn about scams and fraud. The Commission would welcome the opportunity to present their program on this topic to Farmington area groups, clubs, and organizations. For more information or to request a presentation, please call 248-473-1821.
