

Beautification Award Nomination Form

The City of Farmington Hills Beautification Commission recognizes properties, in the categories listed below, that make an outstanding effort to create and maintain welcoming, attractive, and sustainable landscape entrances. Properties are judged only if nominated, and self-nominations are welcome.

Commissioners evaluate entries based on landscape design and planning, color and originality, overall maintenance, environmental sensitivity and efforts completed by non-professionals.

For businesses and organizations, judging focuses on public-facing areas visible from the street or main entrance, including building entrances and parking lot landscaping. Residential and neighborhood entries are judged on the primary property entrance.

Judging takes place in JULY 2026, and award recipients will be recognized at a celebration scheduled for October 22, 2026.

NOMINATION DEADLINE: JUNE 22, 2026.
