## **Farmington Hills Beautification Commission To Host Spring Plant and Seed Swap at Heritage Park May 10**

*Commission members and certified Master Gardeners will share gardening advice*

**FARMINGTON HILLS, Mich. (April 23, 2025)** – The Farmington Hills Beautification Commission is helping community members grow their gardens at the annual **Spring Plant and Seed Swap**. The event will be held rain or shine on **Saturday, May 10 from 8:30 to 10:30 a.m.** in the parking lot near the Farmington Hills Nature Center in Heritage Park, located at 24915 Farmington Road, between Ten and Eleven Mile Roads.

“Every spring, amateur and Master Gardeners gather to exchange everything from perennial favorites to exotic plant species,” said Tracey Emmanuel, staff liaison to the Farmington Hills Beautification Commission. “It’s a great way to share your favorite plants or seeds, discover new varieties and meet fellow community members with green thumbs.”

Community members are encouraged to come prepared with gloves, wagons and nursery pots to take home new seedlings, as well as any plants or seeds they would like to share. Members of the Farmington Hills Beautification Commission will be available to answer questions and offer expert gardening advice.
