Building and Site Bond Proposal Clarenceville School District

Shall Clarenceville School District, Oakland and Wayne Counties, Michigan, borrow the sum of not to exceed Twenty-Nine Million Two Hundred Fifty Thousand Dollars (\$29,250,000) and issue its unlimited tax general obligation bonds therefore, for the purpose of defraying all or part of the cost of:

Erecting, remodeling, and equipping or reequipping school buildings, including structures, athletic fields, playgrounds, or other facilities, or parts of or additions to those facilities; furnishing or refurnishing new or remodeled school buildings; acquiring, preparing, developing, or improving sites, or parts of or additions to sites, for school buildings, including structures, athletic fields, playgrounds, or other facilities; acquiring, installing, or equipping or reequipping school buildings for technology?

The following is for informational purposes only:

Under current law, the estimated millage that will be levied for the proposed bonds in the year 2026, the first year that the levy will be authorized, is 3.68 mills (\$3.68 per \$1,000 of taxable valuation). The bonds may be issued in one or more series and may be outstanding for a maximum of twenty (20) years, exclusive of any refunding. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.36 mills (\$3.36 per \$1,000 of taxable valuation).
