# FARMINGTON HILLS PUBLIC art PROGRAM

## ABOUT THE PUBLIC ART PROGRAM

The Public Art Program was initiated in 2010 to enhance the newly renovated Farmington Hills City Hall. The program brings art into our daily lives and humanizes and invigorates City Hall by generating conversation, cultivating inspiration, and contributing insight.

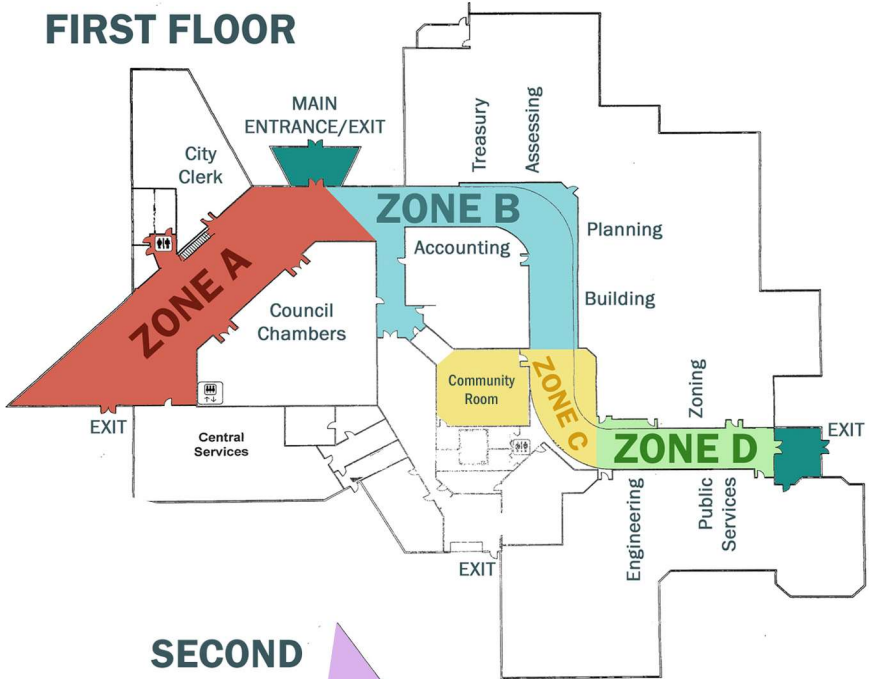

This latest exhibit is the 7th phase in the City's Public Art Program. The artwork is on loan to the City for the next two years, featuring work from 65 talented artists from Farmington Hills and 20 surrounding communities.

The City gratefully acknowledges the artists who have so generously loaned their work to further enhance the atmosphere of City Hall for visitors and employees.
