City of Farmington Hills to Provide Cooling Center June 21-24

Location will provide relief from extreme heat for Farmington Hills community members

FARMINGTON HILLS, Mich. (June 19, 2025) – In anticipation of the extreme temperatures forecasted across metro Detroit, the City of Farmington Hills will open the Costick Activities Center as a cooling center for community members looking for relief. The resource will be available **Saturday, June 21 through Tuesday, June 24.**

Costick Activities Center

- Location: 28600 W. Eleven Mile Road, between Middlebelt and Inkster Roads.
- Dates and Hours of Operation:
 - Saturday, June 21: 7 a.m. to 6 p.m.
 - Sunday, June 22: 8 a.m. to 5 p.m.
 - Monday, June 23 and Tuesday, June 24: 6 a.m. to 10 p.m.

Summer heat can contribute to adverse air quality conditions and can also impact the health conditions of older adults, children and those with respiratory concerns. Community members are encouraged to check on family, friends, neighbors and pets to ensure everyone stays healthy and safe.

The Southeast Michigan Council of Governments (SEMCOG) encourages community members to take action to voluntarily lower emissions to help minimize ozone formation, including:

- Delay mowing the lawn until evening or another day: Exhaust from lawn mowers and other gas-powered yard equipment contribute to ozone formation.
- Drive less, telecommute, bike or walk: These options help to minimize traffic congestion and air pollution, as well as save money.
- Avoid refueling vehicles during daylight hours: Fumes released at the gas pump contribute to ozone formation.
- Delay or combine errands: This will reduce traffic congestion and air pollution.
- Reduce electricity use: Adjust thermostats a few degrees warmer and turn off lights, computers and other electrical devices when not in use.

For more information about the cooling center at the Costick Activities Center, call 248-473-1800 from 8:30 a.m. to 4:30 p.m. If you're experiencing an emergency, call 9-1-1.

For additional information about cooling center locations throughout Oakland County, visit oakgov.com/community/emergency-management/need-to-know/safety/warming-and-cooling-centers. This map is updated when cities notify Oakland County of open cooling centers.

Note for reporters: Although the Cities of Farmington Hills and Farmington share similar names and are both communities in Oakland County, they are two distinct and separate cities. Farmington Hills is the larger of the two, both in population and size. Farmington is a historic city with its own unique governance and community. Please be sure to differentiate between the two cities in your reporting to avoid confusion.
